

NSCCL AFFILIATION PAYMENT OPTIONS

Dear Treasurer,

I have listed the options in order of my preference to receive affiliation payments.

- 1) **SportsSoft** – A link to the SportsSoft payment service will be provided on the NSCCL web site. If you have not used SportsSoft before it will be necessary for you to create a Username and Password when you access the service.
The main advantages are that payment can be made on line by card and I am able to monitor the payments received.
Unfortunately there is a charge for this service of 50p + 5% of the cost per transaction.

- 2) **Bacs Transfer** – In the past some clubs have had difficulty using this method as the process of inputting the account details correctly is not user friendly.
The account details required are:-

Sort Code	57-13-27
Account no.	00000000
Ref/Roll no.	301337495

The disadvantage of this method is that I require an email (rogersmith3254@gmail.com) notifying me that the payment has been made and by who.

- 3) **Cheque** – I would be grateful if you would only use this method as a last resort.

Payments made/received after Friday 31st August 2018 will incur a late payment penalty charge of £10- please note this is a rule of the League.

The reason for the order of listing the methods of payment as above is, that due to the increase in on line banking the Co-Op Bank has closed all the local branches near to where I live. Therefore to pay in cheques I will have to make a special journey travelling twice the distance taking twice as long and incur car parking charges.

Online banking is not an option for the NSCCL Savings Account due to the requirement for dual signatories.

Yours sincerely

Roger Smith
Treasurer to the NSCCL.
